

Application for Membership

Combat Wounded Veterans of South Mississippi (CWVSM)

Combat Wounded Veterans of South Mississippi (CWVSM) is a 501(c) (3) non-profit organization located on the Mississippi Gulf Coast. It was founded 8 Feb 2011 to help meet the needs and to serve as support to those that served our country.

During the time of service, many of our local servicemen and women sustained psychological and physical disabilities and are unable to continue their career in the military. Some are discharged without the benefit of a retirement pension. The adjustment from military to a civilian way of life can be difficult for the wounded veterans and their families. During this time the CWVSM serves as a bridge to improve the lines of communication, provide access to resources, and assist financially with emergent needs.

CWVSM is an incorporated, tax exempt organization whose members are committed to advocate, empower, and ensure every combat wounded veteran in the state of Mississippi has the opportunity, and foundation to live a successful and productive life. Our membership is open to anyone interested in the purposes and activities of the association.

A membership year is from 01 January to 31 December.

Please send a completed application and a check for \$15.00 payable to CWVSM to:
